# Eli Drohan

San Luis Obispo, CA | 707-787-7913 | elidro478@gmail.com | Cal Poly SLO - BS Mathematics

## Education

**California Polytechnic State University, San Luis Obispo** **GPA: 3.9/4.0**
BS in **Mathematics**, Minor in Statistics, Class of 2027
President's and Dean's Honors List (2025)

**Santa Rosa Junior College** **GPA: 4.0/4.0**
Associate's Degree in Computer Science

## Professional Exams

**SOA Exam P: Passed** (Sept 2025)

- Passed while working a full time summer job.

**SOA Exam FM:** Sitting on December 5th.

## Projects

1. **SOA Case Study Competition (2026):** Collaborated with Cal Poly Actuary Club on the **2026 SOA Case Study competition**. Created a Request for Proposal using inferences from large data sets. The log-normal distribution was used to analyze risk and pricing.
2. **Otter Population Modeling (Applied Mathematics):** Developed and analyzed Lotka-Volterra coupled differential equations in order to model theoretical otter population growth in Northern California. Tweaked model to include risk and mortality caused by sharks.
3. **Statistical Analysis Study:** Analyzed data of numbers chosen between 1 and 10 by Cal Poly students. Ran hypothesis testing with a normal distribution to conclude students are more likely to choose the number 7.
4. **Python Metronome:** Built a functional timing application using **Python** on Linux. BPM could be entered as a number or through tapping the space bar.
5. **Matrix Data Structure (C++):** Implemented a class in C++ to store and manipulate matrices. Matrices were entered in a text file, and the user could perform elementary row operations and reduce to echelon form.

## Technical Skills

**Programming: R**, Matlab, C++, Python (Object Oriented Programming and Data Structures)
**Software: Microsoft Excel**
**Statistics:** Probability, Survival Analysis, Regression, ANOVA, Hypothesis Testing, Statistical Modeling, Confidence Intervals
**Mathematics:** Linear Algebra, Discrete Mathematics, Calculus, Differential Equations, Topology
Interests: Surfing, Guitar, Backpacking, DnD

## Experience

**Chugach Adventures** Summer 2026

- Worked productively with 10+ employees daily to provide enjoyable and impactful trips for clients.

**Operations Crew, The Pad Climbing** June 2025 – Present

- Collaborated with team to support daily operations and provide customer service.

**Peer Assisted Learning Specialist, Santa Rosa Junior College** Jan 2022 – Jun 2022

- Maintained progress records and provided performance insights to professor.

## Activities

Member, Cal Poly Actuary Club
